Disclaimer of liability:

1. contents of the online offer

The author assumes no liability for the topicality, correctness, completeness or quality of the information provided. Liability claims against the author relating to material or immaterial damage caused by the use or non-use of the information provided or by the use of incorrect or incomplete information are generally excluded, unless it can be proven that the author acted with intent or gross negligence. All offers are subject to change and non-binding. The author expressly reserves the right to change, supplement or delete parts of the pages or the entire offer without prior notice or to discontinue publication temporarily or permanently.

2. references and links

In its judgement of 12 May 1998, the Regional Court of Hamburg ruled that the inclusion of links may entail co-responsibility for the content of the linked page. According to the district court, this can only be prevented by expressly distancing oneself from these contents. We have set links to other pages on the Internet. The following applies to all these links: MEKOM Event GmbH & Co. KG has no influence on the content or design of the linked pages. The MEKOM Event GmbH & Co. KG accepts no responsibility whatsoever for the content of Internet pages to which reference is made on our pages via URL. This declaration applies to all links on our pages and to the content of the pages to which the links lead. The inclusion of links to other Internet pages is a service for our visitors and can be revoked at any time. It contains no legal claim to retention.

The author therefore expressly declares that at the time the links were created, the linked pages were free of illegal content. The author has no influence whatsoever on the current and future design and content of the linked pages that were changed after the links were created. This statement applies to all links and references set within the author's own website as well as to entries made by third parties in guest books, discussion forums and mailing lists set up by the author. For illegal incorrect or incomplete contents and in particular for damage, which develops from the use or Nichtnutzung of such kind of presented information, alone the offerer of the side, to which one referred, is responsible, not that, which refers over left to the respective publication only.

3. copyright and trademark law

The author endeavours to observe the copyrights of the graphics, sound documents, video sequences and texts used in all publications; to use graphics, sound documents, video sequences and texts created by himself or to make use of licence-free graphics, sound documents, video sequences and texts. All brands and trademarks mentioned within the Internet offer and possibly protected by third parties are subject without restriction to the provisions of the applicable trademark law and the ownership rights of the respective registered owners. The mere fact that a trademark is mentioned should not lead to the conclusion that it is not protected by the rights of third parties! The copyright for published objects created by the author himself remains solely with the author of the pages. Any duplication or use of objects such as diagrams, sounds or texts in other electronic or printed publications is not permitted without the author's agreement.

4. Copyright:

All rights reserved. In particular, it is not permitted without the express permission of MEKOM Event GmbH & Co. KG to translate the contents of these pages for commercial purposes, to reproduce them, to store them on microfilm/fiche or in electronic systems or to change them in any way. Reprinting and evaluation of press releases is permitted provided the source is acknowledged.
